

Plats, Maps, Surveys, Corner Certificates & Parcel Information

The Lake County Recorder's Office has the original recorded Subdivision Plats, Registered Land Surveys (for Torrens properties), some Government Surveys, some recorded plats that do not have an official name, MN Dept. of Transportation Right of Way Plats and Certificates of Location of Government Corners. Click on the appropriate category below to be directed to a listing of them. Those records can be viewed in our office.

Subdivision plats with names can be viewed on idocmarket.com and are indexed by plat name and legal description, and document number.

The Registered Land Surveys are also on idocmarket.com.

Some of the Government Surveys, un named plats and MN Dept.of Transportation Right of Way Plats are on idocmarket.com.

The majority of the Certificates of Location of Government Corners are in our office and those presented since 2013 have been recorded with a document number and are also on idocmarket.com.

Original Land Survey notes and township plat maps are held by the Secretary of State's office and can be viewed by clicking on the above link.

Surveys of private individual's land are rarely recorded in Lake County.

Lake County property ownership and parcel information is available free of charge at parcelinfo.com.

The County Assessor's Office has mapping capabilities to identify parcels and neighboring ownership.
