questions and get them re sent out by email. Motion carried.

Dolly talked to Shelly from the state, She asked what we as a task force are supposed to  
do. She said to find unmet needs from consumers and report to the cominisors.  
Pete replied with that when we get the new director we will address the issue.

Emily from HDC has hours will email with updates for Jackie to post on facebook.

Faith- agate bay Is trying to get a grant for help with opiates and meth is still the biggest  
problem in our area. She is going to a training in July.

Budd House- Is having AA meetings 7pm on wed which is open to public.  
NA will be on thursday at 7m at agate bay.

Pastor contacted Nystrom regarding the suicide training. We are looking at having one in  
september for both two harbors and silver bay.

Also reported on a few updates regarding the waterfront center. Rich sve is following the  
waterfront center, they are getting new kitchen put in and someone donated a nice living room  
set. The task force would like to be more involved with the decision on the waterfront center  
and feel that strongly about it as well. We have a lot of concerns that would like to be  
addressed , and some questions want answers to.
