

Printing instructions for [www.idocmarket.com](http://www.idocmarket.com) :

You can print all pages of the document or you can print various selected pages of the document.

To print all pages, simply click the radial button “o” in front of the “All Pages”

To print selected pages, click the second radial button and enter in the white box the specific pages you want to print separated by a comma: 1,3,5 or 1,3,15,17. You can also select a range of pages along with selected individual pages: 1-3, 14, 15, 18.

Then click the blue PRINT button.

IdocMarket will take you to your Print page where you can choose which printer you want to use, if you want to print double sided, change the size of the print, etc.

**WARNING: DO NOT TRY TO CHANGE THE SELECTED PAGES IN THIS PRINT PAGE. YOU WILL ONLY BE ALLOWED TO PRINT THE PAGES YOU REQUESTED IN IDOCMARKET.**

The final step is to click “Print”.

**NOTICE:** If you click the first radial button for PRINT ALL PAGES and then go to the second print page and select individual pages, you will be charged for ALL pages in idocmarket. Make sure you select the individual pages you want to print in the first print page area, not in the 2<sup>nd</sup> print page area.
