Grant Activity

Grant Activity - Invasives inventory/management equipment	
Description	These resources will be used to acquire any needed inventory and/or management equipment including inventory collection hardware, management supplies, and/or outreach/educational equipment needed for trainings with landowners and/or partners.
Category	SUPPLIES/EQUIPMENT
Start Date	End Date
Has Rates and Hours?	No
Actual Results	Nothing was purchased to date.

Grant Activity - LCIT Partner Collaboration			
Description	Lake County Invasives Team partner projects between Lake County Forestry, Lake County HWY Department, City of Two Harbors, City of Silver Bay, City of Beaver Bay, and the Superior National Forest.		
Category	PLANNING AND ASSESSMENT		
Start Date	1-Jul-18	End Date	02-Dec-19
Has Rates and Hours?	No		
Actual Results	We are also coordinating with the Lake County to locate and quickly manage all populations of Purple Loosestrife in the county. We are also working toward a location for the disposal of invasive plant material. Lake County partners have been managing and reporting key species. The Superior National Forest has a robust invasives program and manages exclusively on USFS lands.		

Grant Activity - Lake County Invasives Team (LCIT) Coordinator staff			
Description	These resources will be used to support the LCIT Coordinator in expanding the online presence of invasive species activities, enhance the inventorying activities and data management systems for terrestrial invasives in our area, coordinate and complete management activities on leading edge invasive species that pose the biggest threats		
Category	ADMINISTRATION/COORDINATION		
Start Date	1-Jan-18	End Date	
Has Rates and Hours?	Yes		
Actual Results	Lake County SWCD has been assisting private landowners with questions on invasive plants and management strategies. We have also developed a invasive plant management resource rental that landowners will be able to utilize to work on invasive plants. We are working with the City of Two Harbors and Lake County Forestry to manage invasives on their properties especially high priority woody invasive species.
